Important Note to Loan Applicants under the Schemes

HKMC Insurance Limited (**HKMCI**) wishes to alert the members of the public to beware of anyone offering to make loan applications or obtain approval for a loan under the Schemes for a fee.

Loan applicants are reminded that:

- (a) they need not engage or appoint any third party (except the participating lenders under the Schemes (**Lenders**)) to apply for a loan under the Schemes (**Loan**). Any loan application prepared by or submitted through a third party may incur unnecessary financial costs or loss to the applicant and expose the applicant's personal data to the risk of disclosure to or misuse by an unscrupulous third party;
- (b) they should apply for the Loan directly through the Lenders which will provide assistance without levying any application fee or handling fee. The Lenders will use their professional expertise, judgement and care in conducting customer due diligence, reviewing each application, and verifying the eligibility of each applicant before submitting the applications and relevant supporting documents to HKMCI for review and approval. The Lender and/or the HKMCI may request the applicants to provide further supporting documents and information to support the application and may verify them against those from any source or in any manner as the Lender and/or the HKMCI may choose or deem appropriate; and
- (c) the Lenders and HKMCI will not tolerate any illegal conduct (e.g. making a false declaration or using a false instrument) and will report suspected illegal conduct to the relevant law enforcement agencies.

Repayment Term:

The Loan shall be repaid by monthly instalments and be fully amortised by the end of the repayment period.

The Lender may allow a principal repayment holiday up to twelve months, but the Borrower is required to apply for it in application for the Loan or at any time after the drawdown of the Loan (**Loan Drawdown**). The Borrower may choose to extend the Repayment Term correspondingly.

Loan Interest Rate

The annual interest rate will be based on the prime lending rate for HKD as announced from time to time either by The Hong Kong Mortgage Corporation Limited (**HKMC**) (**Hong Kong Prime Rate**) or by the relevant Lender (**Lender's Prime Rate**), depending on the Lender's practice. The Lender will inform the Borrower of the prime lending rate applicable to the Loan concerned before the Loan Drawdown.

Regardless of which prime lending rate is adopted, the annual interest rate at the Loan Drawdown will be an interest rate of or equivalent to Hong Kong Prime Rate minus 2.5% per annum. After the Loan Drawdown, the annual interest rate will be adjusted in accordance with any changes to the applicable Hong Kong Prime Rate or Lender's Prime Rate.

The Borrower may refer to the HKMC's official website (https://www.hkmc.com.hk/eng/information_centre/rates_update.html) for the Hong Kong Prime Rate or the relevant Lender for its Prime Rate announced from time to time.
